

# Flashback Friday

What can you remember about this week's and previous weeks learning?

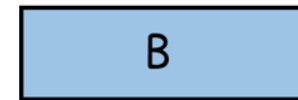

- 1) Calculate  $5 \times 12$
- 2) Divide 69 by 3
- 3) Find the product of 3, 4 and 5
- 4) A laptop costs £4,000  
A record player costs £472 less than a laptop.  
How much does a record player cost?

What is the time on the clock?

Can you use both analogue and digital time?

- 1) Which shape has the largest area?

- 2) Divide 75 by 3
- 3) What are the factors of 14?
- 4) Write 27 in Roman Numerals.
